

I am a Civil, Construction, or Environmental Engineering student seeking a third attempt in one of the following courses (or course equivalents): CE 214, CE 250, CE 225, CE 282, CE 342, or CE 332.

I am aware of the CCEE department policy that this is the **only** third attempt that will be granted for any of the aforementioned courses. Additional third attempts in the aforementioned courses in order to earn a C- in each class required for graduation will not be permitted.
